

We hope all of our family of patients have survived the storms of November well.

With Thanksgiving rapidly upon us, we wanted to do something to give back to the community that has helped us so much.

We are pleased to announce that we will be donating 10% of all dollars collected the week of Thanksgiving, to The Red Cross, from patients who come in for dentistry they've been putting off.

So even if you're overdue for a cleaning, schedule with us for Monday November 19 or Tuesday November 20 to help out those less fortunate. Please forward this to your friends who might be interested in helping us out.

We will also be accepting unwrapped, new toys to help The Red Cross brighten the holidays for the thousands of children who will not have the comforts of home this holiday season.

We want to know if there are families you know of who can use a bit of financial relief as a result of hardships from the storm. Please contact Dr. Markus privately with their story. Email to docmarkus@cent4dent.com

HURRICANE SANDY NJ RELIEF EFFORTS FUND

If you were more fortunate than the families effected by the pictures that follow, please consider what your insurance deductible would have been if it had been you, and consider a donation, in kind, to the Red Cross.
